QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-P-15731

PLASTIC MIX, REFRACTORY (SUPERDUTY, FIRE-CLAY)

This list has been prepared for use in connection with Government procurement of products covered by the subject specification. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revision of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of or reference to this list in whole or in part for advertising purposes is expressly forbidden.

The activity responsible for this Qualified Products List is Bureau of Ships, Department of the Navy, Washington 25, D.C.
