QUALIFIED PRODUCTS LIST
OF
PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-B-16305

BRICK, REFRACTORY, INSULATING

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revision or amendment of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of this list, in whole or in part, except by the Government, or use of the information shown thereon for advertising purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Bureau of Ships.
