QUALIFIED PRODUCTS LIST
OF
PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-V-17462

VALVE, SAFETY: BOILER (SHIPBOARD USE)

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product in not intended to and does not constitute indorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or cancellation of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information above for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Naval Ship Engineering Center.
