Mission

We design, build, deliver and maintain ships and systems on time and on cost for the United States Navy.

Vision

We are the Nation’s team accountable for the health of its Navy.
We must purposefully operate to ensure the U.S. Navy can protect and defend America.
We must be supported by a modern, efficient industrial base.
We must be a world-class employer of choice that inspires innovation.
We must set the value-added standard for acquisition, engineering, business and maintenance.
