(b) OPNAVINST 12000.14 CH-33 of 29 Sep 1982; Subj: Civilian Personnel/Equal Employment Opportunity Directives System (CIVPERS/EEODIRSYS)

Endr: (1) Procedures for Filing and Processing Individual Complaints of Discrimination in NAVSEA Headquarters
(2) Procedures for Filing Class Complaints
(3) NAVSEASYSCOM Shore Activity Procedures for Elevating Complaints of Discrimination for Processing
(4) EEO Reports and Forms Requirements

1. Purpose. To issue the procedures for filing, processing, and resolving complaints of discrimination by employees or applicants for employment. Class action guidance is also provided.

2. Cancellation. Enclosure (4) to NAVSEAINST 12713.3A.

3. Background. Reference (a) designates the Command Deputy EEO Officer and activity Deputy EEO Officers as the principal EEO advisors. Reference (b) outlines procedures for processing individual and class complaints of discrimination, and provides Navy policy guidance on complaint processing.

4. Scope. This instruction applies to all military and civilian personnel, including nonappropriated fund personnel, in the Naval Sea Systems Command (NAVSEA) and shore activities under NAVSEA's cognizance.

5. General Policy

a. The policy of the Naval Sea Systems Command is to provide equal opportunity for all persons; to prohibit discrimination in employment because of race, color, religion, sex, age, national

S-173
origin, or physical or mental handicap; and to promote the full realization of equal employment opportunity through a continuing affirmative program.

b. Despite existence of the foregoing policy, instances may arise where persons believe they have been discriminated against due to one or more of the cited bases. Enclosures (1) and (2) set forth procedures for them to make their concerns known and have them dealt with in a timely and fair manner. Enclosure (1) deals with individual complaints of discrimination and enclosure (2) deals with class action complaints. A class complaint of discrimination differs significantly from an individual complaint by definition, time requirements, and methods of processing.

c. Enclosure (3) provides guidance for shore activities to elevate complaints of discrimination to the Naval Sea Systems Command for action.

6. Responsibilities

a. The Naval Sea Systems Command Deputy EEO Officer (SEA OOH) is responsible for managing the complaints program in NAVSEA, including providing procedural guidance to shore activities.

b. The counseling function and resolution process discussed in enclosures (1) and (2) will also be managed by the Command Deputy EEO Officer.

7. Action

a. Headquarters personnel shall be guided by enclosures (1) and (2).

b. Shore activities will process discrimination complaints in accordance with reference (b). Complaints involving EEO officials shall be handled as discussed in enclosure (3).

8. Reports and Forms. Reporting requirements with symbols and forms are listed in enclosure (4).

Procedures for Filing and Processing Individual Complaints of Discrimination in NAVSEA Headquarters

A. Precomplaint Processing

1. A person who believes that he or she has been discriminated against because of race, color, religion, sex, age, national origin, or physical or mental handicap must initially consult with an EEO Counselor not later than 30 calendar days from the date of the alleged discriminatory act, or, if a personnel action, within 30 calendar days of its effective date. The person has a right at this stage or any other stage to be represented.

2. The Counselor shall conduct his or her final interview with the aggrieved person not later than 21 calendar days after the date on which the matter was called to his or her attention by the person. If the final interview is not concluded within 21 calendar days and the matter has not been resolved to the satisfaction of the person, the Counselor shall promptly inform the person (copy to his or her representative), in writing, of his or her right to file a written formal complaint of discrimination by the use of attachment (1).

B. Formal Complaint Processing

1. A formal discrimination complaint must be submitted in writing by the complainant or his or her representative and be signed by the complainant. The complaint must be specific and must be limited to matters discussed with the EEO Counselor. Attachment (2) will be used to complete the counseling phase. Form NAVSO 12713/1, on which complaints may be initiated, may be obtained from the EEO Office. The completed form may be mailed or delivered in person to the EEO Officer (EEOO), Commander, Naval Sea Systems Command, or to the NAVSEA Command EEO Office, SEA OOH, Room 4W26, NC#3.

2. If the complaint is valid for processing (i.e., timely, concerns matters for which this is the correct administrative process), the complainant will be notified, in writing, within five calendar days that it has been accepted. Allegations of discrimination which are not within the purview of the regulations (i.e., are not filed by an employee or applicant for employment with the agency where the alleged discriminatory act occurred, are not made in connection with an employment matter over which the agency had jurisdiction, or are not based on the complainant's race, color, religion, sex, age, national origin, or physical or mental handicap) or which set forth identical
matters to those contained in a previous complaint by the same complainant, either pending or adjudicated, must be rejected.

3. The EEO Officer will obtain an investigator from the Naval Civilian Personnel Command (NCPC) to conduct an impartial investigation. The investigator is authorized to require employees having knowledge of the matter complained of to furnish testimony under oath or affirmation without a pledge of confidentiality. It is NAVSEA policy that all employees, civilian and military, fully cooperate with the investigator. Every effort is made to complete the investigation within 30 calendar days from the time the investigator receives the assignment. Within ten calendar days from receipt of the investigatory file, another effort will be made to resolve the complaint through a discussion between the complainant and the EEO Officer, or his designated representative. If such an effort is not successful, the EEO Officer will notify the complainant, in writing, within seven calendar days of the adjustment meeting of the proposed disposition.

4. If the complainant is dissatisfied with the proposed disposition, the complainant may request a decision by the Secretary of the Navy (Employee Appeals and Review Board (EARB)) with or without a hearing (presided over by a complaints examiner supplied by the Equal Employment Opportunity Commission (EEOC)). This request must be made within 15 calendar days from receipt of the notice of the EEO Officer's proposed disposition, or the complainant may choose instead to file a civil action in the U.S. District Court. Complaints based on age will be processed if complainants are at least 40 years of age or older at the time the discriminatory act was alleged to have occurred. In lieu of the above method of complaint processing, the complainant may serve the EEOC with a notice of intent to file a civil action and, after 30 days, proceed directly into Federal Court.

5. If the complainant chooses to file a civil action, it must be done within 30 calendar days from receipt of the notice of proposed disposition. If the complainant appeals to the EARB and is not satisfied with its decision, the complainant may still file a civil action in the U.S. District Court. This must be done within 30 calendar days from the complainant's receipt of the EARB's decision. The complainant may also take this step if, after 180 calendar days, the EARB has not taken action on the appeal. If the complainant fails to notify the EEO Officer within 15 calendar days, the EEO Officer will adopt the proposed decision as the final Department of the Navy decision on the complaint.

PROCEDURES FOR ELEVATING SHORE ACTIVITY COMPLAINTS FOR PROCESSING

The following procedures shall be used for elevating discrimination complaints to NAVSEA OOH for processing. Every effort should be made to adhere to the requirements established to assure expeditious processing of complaints in accordance with the guidelines of CPI 713-A. The procedures set forth below have been developed for the guidance of activity officials.

A. Two types of discrimination complaints are required to be elevated to NAVSEA Headquarters (SEA OOH) for processing or resolution:

1. Complaints in which the Commanding Officer of a shore activity may have contributed personally to the circumstances or events alleged by an employee (or applicant) to be discriminatory.

2. Complaints filed against any other EEO Official of an activity. When it is determined that a complaint must be elevated to NAVSEA because the Commanding Officer or other EEO Official is involved, include a rough draft of a proposed acceptance or rejection letter for review. NAVSEA does not have access to local records of other complaints or grievances filed by the same individual and would have difficulty determining whether duplicate issues might be involved. A NAVSEA staff member will follow up to resolve discrepancies.

B. Care should be taken in reviewing a complaint for acceptance or rejection on a matter the activity does not control or have the authority to remedy. Guidance should be requested from SEA OOH.
