

PMS 443: Surface Ship Sustainment Surface Navy Association

***CAPT Tim Crone
Program Manager***

13 January 2016

Sustainment by System Health Assessment and Analysis

PMS 443 Readiness

Ship Corrective Action Report, CMT concerns, Class Advisories, Departure from Specifications, Technical Issue Team Solutions, INSURV issues, Post INSURV Actions, Safety Investigations, Failure Review Boards

PMS 443 Sustainment

Material Readiness Database Report, Program Related Engineering / Logistics, MACHALTs

PMS 443 ILS

Battle Spares, Diminishing Manufacturing Sources and Material Sources List

PEO SHIPS (SCN)

Technical Issues & Ongoing SCN Efforts, Windows based HME & CFE system obsolescence, Obsolescence Shortfalls, Design Lessons Learned, Training, Obligating Work Limiting Date Schedules, Trial Cards

SEA06/Other

Commonality Virtual Shelf, Propulsion Engineering Steering Committee, In-Service Engineering Agent Advisories, Technical Assist Visit Reports, Fleet analysis, Information Assurance status

PEO SHIPS AM

IC systems, Data Network Software Problem Reporting System, IA/Cyber Status, system roadmap

PMS 407

Class Mod plans, Decom Sked, Mandatory Safety Ship Change Documents

PMS 339

6 Year Training Plan, Deck System Assessment and Groom Team reports

SURFMEPP

Class Maintenance Plan, Maintenance completed/deferred, Technical Foundation Papers

TYCOM

Fleet Mod Plan, Current Readiness Cross-Pillar Team, Fleet Advisories, TYCOM issues, Engineering Readiness Assistance Team report

CNRMC

Regional Maintenance Center technical experience

SUPSHIP C/200 (SCN)

Technical Issues and SME feedback from New Ship Construction

System Health Assessments, Management Team Review and Prioritization

Achieving the Right Balance in Surface Ship Readiness

Get to the fight on time

- Achieve O-FRP
- Schedule is “king”

Schedule

Affording the fight

- Reduce churn
- Increase buying power

Cost

Capability to win the fight

- Pace the threat
- Reduce troubled/costly systems
- Increase reliability
- Reduce maintenance requirements

Modernization

Service Life

Appropriate inventory to win the fight

- Achieve service life
