

NAVAL SURFACE WARFARE CENTER PHILADELPHIA DIVISION

Looking for entry level
engineers and scientists

INTERVIEW DAY

Monday, April 18, 2016
The Navy Yard
5001 S. Broad St., Philadelphia, PA 19112

Mission

Naval Surface Warfare Center Philadelphia Division's (NSWCPD) mission is to provide research, development, test and evaluation, acquisition support, engineering, systems integration, in-service engineering and fleet support with cybersecurity, comprehensive logistics, and life-cycle savings through commonality for surface and undersea vehicle machinery, ship systems, equipment and material and to execute other responsibilities as assigned by commander, Naval Surface Warfare Center.

Seeking

BS and MS degree candidates who recently graduated (December 2015) or will be graduating this spring 2016. NSWCPD is looking to hire entry level engineers and scientists in the following disciplines:

Mechanical Engineering
Chemical Engineering
Electrical Engineering
Civil Engineering

Computer Engineering
Mathematics
Computer Scientist
Physics

Salary Range: \$36,740 - \$68,509

Interview Details

Attendees will receive a NSWCPD Division overview, tour our facilities and are guaranteed at least one interview with a technical hiring manager. No USAJOBS application is required. On-the-spot offers may be extended as a result of your interview.

Interested candidates must submit their resume for consideration by Monday, April 11, 2016 to: recruitment@navy.mil. Selected candidates will be notified of their acceptance.

U.S. citizenship is required • Photo identification needed for access to our buildings
