

### **TAXI FROM THE AIRPORT**

The Norfolk Airport shuttle to Norfolk Naval Shipyard (NNSY) is about \$20.00 per person. This is a fixed price and does not increase if you are caught in a traffic jam. Taxi fare is less than \$20.00 for one person. However, this will increase drastically if a traffic delay is encountered. There is also a charge for each additional passenger. Save your receipt for your travel claim. **NOTE:** Not all drivers are aware that NNSY is actually located in Portsmouth VA.
