

L46 ELECTRONIC SUBMISSION OF COST DATA

(a) In addition to the requirements for hard copy proposals, offerors are encouraged to provide a summary of their cost proposal on electronic media using the NUWC Division, Newport Cost Analysis Spreadsheet. This will allow more rapid and accurate cost evaluations, diminishing the time between closing and award.

(b) The NUWC Division, Newport Cost Analysis Spreadsheet is available in Microsoft EXCEL version 5.0, for MS-DOS based computers. The spreadsheet is available for download on the Internet at <http://www.npt.nuwc.navy.mil/contract/contract/contacts/analyst.htm>. In addition, copies will be furnished upon request. Requests should be addressed to Commercial Acquisition Department, Building 11; Naval Undersea Warfare Center Division, Newport; Code 591 (P. Simone), Simonpietri Drive; Newport, RI 02841-1708. Requests may be FAXed to (401) 832-4820.

(c) Electronic submission, if prepared, should be included with the offeror's proposal. Cost data may be submitted on other similar programs, but all files must be readable by Microsoft EXCEL 97 without loss of accuracy. Mark diskettes with contractor name and RFP number. Diskettes should be free of viruses and data unrelated to the proposal. Diskettes will not be returned. Subcontractor submittals are encouraged, and may be sent directly to NUWC Division, Newport. Offerors whose cost accounting system does not easily reconcile with the NUWC Division, Newport Cost Analysis Spreadsheet may submit a variant which represents their system.

(d) The Government will limit data access with strict adherence to FAR Part 15.2.

(e) The Government will compare the data on disk with the data in the proposal; differences will be noted in negotiations. Data submitted by the offeror on paper shall take precedence over data on diskette.
