MILITARY QUALIFIED PRODUCTS LIST
OF
PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION
MIL-C-19565(SHIPS)
COATING COMPOUND, THERMAL INSULATION PIPE COVERING—
FIRE-, WATER-, AND WEATHER-RESISTANT

Government Designation	Manufacturer's Designation	Test or Qualification Reference	Manufacturer's Name and Address
------------------------	----------------------------	---------------------------------	---------------------------------

As of 25 October 1957, no coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant has been tested and qualified under Military Specification MIL-C-19565(SHIPS). Pending the establishment of a Qualified Products List or the approval of a product for inclusion on the Qualified Products List, the qualification requirements (paragraphs 3.1 and 6.3) and the qualification tests of Military Specification MIL-C-19565(SHIPS) shall be waived for Navy procurements or procurements of coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant destined for Naval use; however coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant furnished under Military Specification MIL-C-19565(SHIPS) shall be capable of meeting the qualification tests, and procuring agencies may require contractors to furnish preproduction samples of the coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant that they propose to supply for Government inspection and contractual approval.

When a Qualified Products List is established for Military Specification MIL-C-19565(SHIPS), this Notice should be destroyed.

The responsibility for establishment of a Qualified Products List for Military Specification MIL-C-19565(SHIPS) has been assigned to Department of the Navy, Bureau of Ships, Washington 25, D. C.
