Government Designation	Manufacturer's Designation	Test or Qualification Reference	Manufacturer's Name and Address
------------------------	----------------------------	---------------------------------	---------------------------------

As of 1 June 1971, no Electric, Portable, Double-Insulated (Dielectric Housing) Grinders have been tested and qualified under Federal Specification W-Q-1115A. Pending the establishment of a Qualified Products List, the qualification requirements (paragraphs 3.1 and 4.4) and qualification tests of W-Q-1115A shall be waived for procurements of Electric, Portable, Double-Insulated (Dielectric Housing) Grinders destined for Government use; however, procuring agencies should require first article inspection involving tests of paragraph 4.2 of W-Q-1115A. A copy of the first article test data, as certified to by the responsible government inspector shall be forwarded to the applicable qualifying activity.

When a Qualified Products List is established for Federal Specification W-Q-1115A, this Notice should be destroyed.

The responsibility for establishment of a Qualified Products List for Federal Specification W-Q-1115A has been assigned to Naval Ship Engineering Center, RMD 61245, Center Building, Prince George's Center, Hyattsville, Maryland 20782.
