POC: Gina Trasferini, gina.trasferini@navy.mil, 215-897-7059

The Naval Surface Warfare Center, Carderock Division (NSWCCD) intends to award a firm-fixed price purchase order for TestLab hardware, software, and support from LMS Engineering Innovation. The proposed contract action is for supplies and services for which the Government intends to solicit and negotiate with only one source under the authority of FAR 13.106(b). Interested persons may identify their interest and capability to respond to the requirement or submit proposals. This notice of intent is not a request for competitive proposals. However, all proposals received prior to 05 March 2013 will be considered by the Government. A determination by the Government not to compete with this proposed purchase order based upon responses to this notice is solely within the discretion of the Government. Information received will normally be considered solely for the purpose of determining whether to conduct a competitive procurement.
