

NOTICE TO INDUSTRY

The Government's intent for this notice to industry is to improve awareness of Ground based Counter Radio Controlled Improvised Explosive Device Electronic Warfare (CREW) Science and Technology (S&T) and Small Business Innovative Research (SBIR) investments and opportunities.

A centralized location to inform industry of CREW S&T and SBIR efforts is established at the following web site: <https://jcrew.muwinfodesk.navy.mil/>

The current information available at this site is limited to technology topic areas of interest, corresponding government point of contacts, and performing vendor names. Additional information may be posted in the future as it becomes available and is approved for distribution.

If you have questions regarding this web portal, please contact the MUW InfoDesk web administrator at telephone 800-879-4558 or email address admin@po.muwinfodesk.navy.mil

Additional POCs for the web site are:

Naomi Hudson
301-744-5352
naomi.hudson.ctr@navy.mil

Lisa Renter
301-744-5169
lisa.renter@navy.mil

A Public Key Infrastructure (PKI) certificate is required to access the web site.

The DoD has established the External Certification Authority (ECA) program to support the issuance of DoD-approved PKI certificates to industry partners and other external entities and organizations. The ECA program is designed to provide the mechanism for these entities to securely communicate with the DoD and authenticate to DoD Information Systems.

DoD PKI Program Management Office (PMO) has designated the ECA External Liaison Officer (ELO) as the single point of contact to receive and coordinate all communications between the ECA community, DoD programs, and the DoD PKI PMO. ECA approved PKI certificates may be purchased from one of the approved vendors below:

Operational Research Consultants, Inc. (ORC) <http://www.eca.orc.com/>
