Advertisements for the following entry-level (ND-02) positions at the Naval Undersea Warfare Center, Division Newport, are anticipated to be posted on the USAjobs website <http://www.usajobs.gov> from 23 February - 6 April 2012.

Position Series ID	Position Title
0830	Mechanical Engineer
0854	Computer Engineer
0855	Electronics Engineer
1550	Computer Scientist

## Guidance for Applicants:

1. You can set up an account in **USAjobs** prior to applying for a position.
2. The following documents are **required to establish your eligibility**; all three documents must be submitted when applying for a position:
  - Resumé
  - Transcript for all institutions attended
  - Assessment Questionnaire – see instructions below.

## Assessment Questionnaire Instructions:

The assessment questionnaire lists a series of statements relating to specific tasks or skills. For each statement, choose the most appropriate response (A, B, or C) from those shown below:

- A- I have no education, training, or experience in performing this task.
- B- I have education or training in performing this task, but have not yet put that training into practice OR have performed the task under minimal supervision.
- C- I perform this task regularly. I have performed it independently and normally without review by a supervisor/advisor or mentor.

Please ensure that you complete the entire questionnaire and review each response prior to submittal.

**If you have any questions or require additional information, please contact a recruitment representative at 401.832.4416.**
