

**Adoption Notice**

ASTM F2046, "*Standard Specification for Tachometers, Various*", was adopted on 9 August 2002 for use by the Department of Defense (DoD). Proposed changes by DoD activities must be submitted to the DoD Adopting Activity, Commander, Naval Sea Systems Command, ATTN: SEA 05Q, 1333 Isaac Hull Avenue, SE, Stop 5160, Washington Navy Yard DC 20376-5160. Copies may be purchased from the American Society for Testing and Materials, 100 Barr Harbor Drive, West Conshohocken, PA 19428-2959, or <http://www.astm.org/>.

ASTM F2046 should be used instead of MIL-T-24797 (SH), which was inactivated for new design on 9 August 2002.
