NOTICE

QPL-15342-1
10 January 1961

This list may be made available to suppliers or prospective customers who require the list in furnishing supplies to the Military Department. Reproduction or use of the list in whole or in part for other purposes is prohibited, and violation will be cause for removal from this list.

MILITARY QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION MIL-Q-15342(SHIPS) GASKETS, METALLIC-ASBESTOS, SPIRAL-WOUND (SYMBOL 2410) (FOR BOILERS)

All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revisions of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements.

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-G-15342

PROTECT, WEARABLE ARMOR, CRIPPLE ARMOR (SYMBOL 2410 FOR BULLETS)

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification. All products listed herein have been previously tested and found to comply with the requirements of the applicable specification. However, no warranty of this list will be made in any case. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of this list, in whole or in part, except by the Government, or use of the information shown hereon for advertising purposes is expressly prohibited.

The source responsible for this Qualified Products List is the Bureau of Ships.
