FEDERAL QUALIFIED PRODUCTS LIST  
OF  
PRODUCTS QUALIFIED UNDER FEDERAL SPECIFICATION  
MIL-B-10664(SHIPS)  
BEDDING COMPOUND, THERMAL INSULATION PIPE COVERING

Government Designation	Manufacturer's Designation	Year of Qualification Reference	Manufacturer's Name and Address
------------------------	----------------------------	---------------------------------	---------------------------------

As of 24 October 1957, no bedding compound, thermal insulation pipe covering has been tested and qualified under Military Specification MIL-B-10664(SHIPS). Pending the establishment of a Qualified Products List or the approval of a product for inclusion on the Qualified Products List, the qualification requirements (paragraphs 3.1 and 6.3) and the qualification tests of Military Specification MIL-B-10664(SHIPS) shall be waived for Navy Procurements or procurements of bedding compound, thermal insulation pipe covering destined for Naval use; however bedding compound, thermal insulation pipe covering furnished under Military Specification MIL-B-10664(SHIPS) shall be capable of meeting the qualification tests, and procuring agencies may require contractors to furnish pre-production samples of the bedding compound, thermal insulation pipe covering that they propose to supply for Government inspection and contractual approval.

When a Qualified Products List is established for Military Specification MIL-B-10664(SHIPS), this Notice should be destroyed.
