MILITARY QUALIFIED PRODUCTS LIST
OF
PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION
MIL-C-19565(SHIPS)
COATING COMPOUND, THERMAL INSULATION PIPE COVERING—
FIRE-, WATER-, AND WEATHER-RESISTANT

Government Designation	Manufacturer's Designation	Test or Qualification Reference	Manufacturer's Name and Address
------------------------	----------------------------	---------------------------------	---------------------------------

As of 25 October 1957, no coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant has been tested and qualified under Military Specification MIL-C-19565(SHIPS). Pending the establishment of a Qualified Products List or the approval of a product for inclusion on the Qualified Products List, the qualification requirements (paragraphs 3.1 and 6.3) and the qualification tests of Military Specification MIL-C-19565(SHIPS) shall be waived for Navy procurements or procurements of coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant destined for Naval use; however coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant furnished under Military Specification MIL-C-19565(SHIPS) shall be capable of meeting the qualification tests, and procuring agencies may require contractors to furnish preproduction samples of the coating compound, thermal insulation pipe covering—fire-, water-, and weather-resistant that they propose to supply for Government inspection and contractual approval.

When a Qualified Products List is established for Military Specification MIL-C-19565(SHIPS), this Notice should be destroyed.

The responsibility for establishment of a Qualified Products List for Military Specification MIL-C-19565(SHIPS) has been assigned to Department of the Navy, Bureau of Ships, Washington 25, D. C.

QUALIFIED PRODUCTS LIST
OF
PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION
MIL-C-19565

FSC 8036

COATING COMPOUNDS, THERMAL INSULATION PIPE
COVERING - FIRE- AND WATER-RESISTANT, VAPOR-
BARRIER AND WEATHER-RESISTANT

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote indorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements.

THE ACTIVITY RESPONSIBLE FOR THIS QUALIFIED PRODUCTS LIST IS THE NAVAL SHIP ENGINEERING CENTER.
