QUALIFIED PRODUCTS LIST
OF
PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION
 MIL-G-21032

GASKETS, METALLIC-ASBESTOS, SPIRAL WOUND
 (FOR ASA CROCODACIAL FLANGED JOINTS IN PIPING SYSTEMS)

This list has been prepared for use by the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed in this list have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not relieve the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is: **Federal Supply Engineering Center**
