MILITARY QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-C-3316

CEMENT, ADHESIVE FOR THERMAL INSULATION

All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revisions of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements.

Government Designation	Manufacturer's Designation	Test or Qualification Reference	Manufacturer's Name and Address
Type I	IBM #81-33	EES C-107 JJ52-C-23 (336), 1/25/45	Benjamin Foster Co. 4635-37 W. Girard Ave. Philadelphia 31, Pa. Plant: Same address

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

FSC 9350

MIL-C-3316

CEMENT, ADHESIVE FOR THERMAL INSULATION

This list has been prepared for use in connection with Government procurement of products covered by the subject specification. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revision of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of or reference to this list in whole or in part for advertising purposes is expressly forbidden.

The activity responsible for this Qualified Products List is Bureau of Ships, Department of the Navy, Washington 25, D. C.

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-A-3316

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revision or amendment of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of this list, in whole or in part, except by the Government, or use of the information shown thereon for advertising purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Bureau of Ships.

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-A-3311

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revision or amendment of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of this list, in whole or in part, except by the Government, or use of the information shown thereon for advertising purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Bureau of Ships.

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-A-3316

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

MSC 9350

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The authority responsible for this Qualified Products List is the Bureau of Ships.

QUALIFIED PRODUCTS LIST **OF** **PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION**

WTL-A-331F

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and each listing of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Bureau of Ships.

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-A-3316

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice, revision or amendment of the list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Bureau of Ships.

63400 QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

FSC 3040

MIL-A-3316

ADHESIVES, PIPE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Bureau of Shops.

PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION**

SP-1074-1
AMENDMENT-1
29 JULY 1965

MC

WIL-A-3316

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Bureau of Ships.

GOVERNMENT DESIGNATION	MANUFACTURER'S DESIGNATION	TEST OR CLASSIFICATION REFERENCE	MANUFACTURER'S NAME AND ADDRESS
---------------------------	-------------------------------	--	------------------------------------

THIS AMENDMENT FORMS A PART OF QPL -3316-47

DATED 15 March 1965

Page 2: Under "Manufacturer's Name and Address" delete "Santa Clara, California" from the present listing "Owens-Corning Fiberglas Corporation" and substitute "Santa Clara, Calif. 43601."

Pages 2, 4 and 6: Under "Manufacturer's Name and Address" delete the present listing for "Insul-Coastic Corp." and substitute the following:

"Insul-Coastic Corporation
42-23 - 54th Road
Manhasset 78, New York
Plant 1: 825 E. Main Street
Greenfield, Indiana
Seyreville, New Jersey

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER FEDERAL SPECIFICATION

MIL-A-3316

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. Revision or amendment of this list will be issued as necessary. The listing of a product does not release the manufacturer from compliance with the specification requirements. Reproduction of this list, in whole or in part, except by the Government, or use of the information shown thereon for advertising purposes is expressly forbidden.

The activity responsible for this Qualified Products List is the Naval Ship Engineering Center

ADHESIVE, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and each item of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed herein have been qualified under the specification for the product as specified in the latest edition of the specification. This list is subject to change without notice, addition or deletion of items and will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for marketing or publicity purposes is expressly prohibited.

The activity responsible for this Qualified Products List is the Bureau of Supply.

GOVERNMENT DEPARTMENT	MANUFACTURER'S IDENTIFICATION	TEST OR QUALIFICATION SPECIFICATION	MANUFACTURER'S NAME AND ADDRESS
--------------------------	----------------------------------	---	------------------------------------

THIS AMENDMENT FORMS A PART OF QPL 3316-49 DATED 5 May 1966

Pages 4 and 5: Under "Manufacturer's Name and Address" column, delete the present listing of "Pecora, Incorporated" and substitute the following:

• Pecora, Incorporated
300-400 West Godfrey Avenue
Philadelphia, Pa. 19140
Plant: Same address

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

FIG 9040

REL-8-2316

ACTIVE, PENDING, OBSOLETE, DELETED

This list has been prepared for use by or for the Government in the procurement of goods to be used by the subject organization and each listing of a product is not intended to and does not constitute an endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice, without announcement of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the applicable requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is Naval Ship Engineering Center.

QUALIFIED PRODUCTS LIST OF PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

PEC 8040

MIL-A-3316

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and each listing of a product is not intended to and does not constitute endorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of the list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements. Use of the information shown herein for advertising or publicity purposes is expressly forbidden.

The activity responsible for this Qualified Products List is Naval Ship Engineering Center.

FSC 8040

PRODUCTS QUALIFIED UNDER MILITARY SPECIFICATION

MIL-A-3316

ADHESIVES, FIRE-RESISTANT, THERMAL INSULATION

This list has been prepared for use by or for the Government in the procurement of products covered by the subject specification and such listing of a product is not intended to and does not connote indorsement of the product by the Department of Defense. All products listed herein have been qualified under the requirements for the product as specified in the latest effective issue of the applicable specification. This list is subject to change without notice; revision or amendment of this list will be issued as necessary. The listing of a product does not release the supplier from compliance with the specification requirements.

THE ACTIVITY RESPONSIBLE FOR THIS QUALIFIED PRODUCTS LIST IS THE NAVAL SHIP ENGINEERING CENTER.
