Carderock to host Industry Day for ballast water treatment systems

Naval Surface Warfare Center, Carderock Division will host an Industry Day for “ultraviolet ballast water treatment systems (BWTS) for surface vessels” on March 15 from 9 a.m. – noon EST. The purpose of this Industry Day is to allow BWTS and engineering services vendors to obtain additional information regarding a Navy requirement to design, fabricate and test Ultraviolet BWTS as prototype units.

Location:
Naval Surface Warfare Center, Carderock Division
9500 MacArthur Blvd., Bethesda, MD 20817

The registration deadline is March 11. In the following link, more information about this Industry Day can be found under “Industry Day Notice.”
