

Naval Surface Warfare Center Dahlgren Division

ENVIRONMENTAL POLICY

JULY 2024

Naval Surface Warfare Center, Dahlgren Division (NSWCDD) is committed to protecting the environment while carrying out its mission. All personnel share the responsibility to comply with environmental laws, regulations, and policies.

Through our Environmental Management System, NSWCDD is committed to:

- Integrating sound environmental practices into processes and business decisions, while maintaining efficient and successful mission execution.
- Complying with applicable federal, state, local, Department of Defense, and Department of Navy regulations and policies.
- Continuously improving environmental performance through effective environmental planning.
- Ensuring pollution prevention, preservation of our land, Chesapeake Bay sustainment, and protection of natural and cultural resources.
- Educating employees concerning their environmental protection and compliance responsibilities.
- Promoting open communication, cooperation, and involvement with the community and all regulatory agencies.
