FMS SLE Process

- **USG Submitter**
 - Submits an electronic extension (E-TEMP) recommendation
 - If known parts shortages, submit up to 6 months prior to expiration
- **Equipment Specialist**
 - Reviews NSN, part number and lot number information
- **Item Manager**
 - Reviews requisitions and provides expected delivery/ship dates
- **Item Engineer**
 - Provides a recommendation based on available data
- **System Program Office**
 - As required by SPO

FMS SLE Process

- Extension Coordinator
 - Prepare extension letter Word document according to Equipment Specialist, Item Manager, Engineer & System Program Office comments
- Program Manager
 - Reviews all information for correctness, additional comments if necessary
 - Signs letters and “approves” request
- USG Submitter
 - Receives signed letter from E-TEMP system
 - Forwards letter to AFSAC/Country

E-TEMP Letter

DEPARTMENT OF THE AIR FORCE
AIR FORCE LIFE CYCLE MANAGEMENT CENTER
HILL AIR FORCE BASE UTAH

MEMORANDUM FOR: AFLCMC/EBHCB (Hill AFB Country Manager - Country)

CURRENT DATE

INFO: AFLCMC/EBHJ (CAD/PAD Office)

FROM: AFLCMC/EBHJ

SUBJECT: Temporary Shelf/Service Life Extension for XXXXXXXX, NSN XXXXXXXX, P/N XXXXXX, Lot Number XXXXXXXX

REF: (a) Your XXX/XX/XXXX E-TEMP Request, E-TEMP Number: XXXXXXXXXXXX
(b) No System Manager was designated in the E-TEMP system for this airframe at the time it was reviewed.

1. Engineering evaluation conducted on subject components indicates that a temporary extension is warranted. If the USAF were faced with a similar situation, this office would recommend a temporary shelf/service life extension as follows:

LOT NO: UNKNOWN - SER NO: VARIOUS or 50 S/N - EXTEND TO: XXXXXX

2. The decision of whether or not to temporarily extend the life of the subject components and the magnitude of that extension must be made by XXXXXXXX, not the USAF.

3. Your requisition XXXX1234567891 status provided by Item Manager

4. Please direct questions to XXXXXXXX (Equipment Specialist), DSN: 555-5555; XXXXXXXX (Item Manager), DSN: 555-5555; or XXXXXXXX (E-TEMP Coordinator), DSN: 555-5555.

Need a numeric value

X

CAD/PAD Program Manager

Items to Remember

- Providing the Lot Number and DOI provides the engineer sufficient information to evaluate extension request
- Providing Serial Number and Tail Number is for your information, we do not keep track of your install information
- If the information on the submitted worksheet and signed letter do not match, ask USG Submitter why
- Providing all Serial Numbers allows us to collect better metrics and evaluate worldwide need
- USAF will only provide a recommendation if we were faced with a similar situation
- USAF will only provide a recommendation on items procured via an USG contract
 - Extensions cannot be recommended for items procured via Direct Commercial Sales
