# Contracts Department (Code 02)

The Contracts Department is comprised of five divisions: the Acquisition Policy and Oversight Division (021); the Simplified Acquisition (less than or equal to \$250,000) Division (024); and three large (>\$250,000) executing divisions (022, 023, and 026). The Acquisition Policy and Oversight Division maintains the integrity of internal processes ensuring compliance with regulations and policies, and generates metrics by which the success of the department and organization is evaluated. The executing divisions are configured based on dollar value to provide full spectrum procurement support to specifically designated internal technical and business departments and external agencies for service and supply requirements.
