715-PART E
EXECUTIVE SUMMARY

Organization Information

The Naval Surface Warfare Center, Philadelphia Division (NSWCPD) provides the Navy's primary technical expertise and facilities for both naval machinery research and development and naval machinery lifecycle engineering. NSWCPD is responsible for the machinery systems core equity of the Ship and Ship Systems Product Area for the United States Navy and serves as a central point for academia and industry to join forces with Navy technical experts to develop solutions to needs in naval machinery. Consistent with its core equity responsibility and alignment to NAVSEA's Expand the Advantage 3.0, NSWCPD fulfills key functions including research, design, development, shipboard and land-based test and evaluation, acquisition support, in-service engineering, Fleet engineering, integrated logistics support and concepts and overall life cycle engineering.

At the beginning of FY22, NSWCPD employed 2833 civilian and military employees. Engineers and scientists comprise the majority of the competencies in support the command's mission. The largest occupational groups are mechanical engineers (0830) and electrical engineering (0850).

NSWCPD's mission and vision statements are as follows:

OUR MISSION...

To provide research, development, test and evaluation, acquisition support, engineering, systems integration, in-service engineering and fleet support with Cybersecurity, comprehensive logistics, and life-cycle savings through commonality for surface and undersea vehicle machinery, ship systems, equipment and material.

OUR VISION...

Shape the Navy's future by continuously expanding machinery systems advantages through technical dominance.

Database Information

Data contained in this report was extracted from the Enterprise Data Warehouse (EDW), Defense Civilian Personnel Database System (DCPDS), and the Complaints Tracking System (iComplaints). Data reflects all permanent and temporary Appropriated Fund employees. Due to the broad scope of the NSWCPD, the National Civilian Labor Force (NCLF) statistics are used for comparisons. NSWCPD's EEO Office had limited access to the applicant flow data during FY22 because it was only released at the enterprise level; therefore, some datasets were not complete enough to draw conclusions with respect to the applicant pool. The FIPS code for Philadelphia, Philadelphia County, Pennsylvania was used as the primary location for the majority of NSWCPD.

Limitations:

Race, ethnicity, and disability information contained within DCPDS is obtained through voluntary employee submissions. Employee perceptions for self-identification on race and ethnicity may not coincide with the standard categories prescribed by the Equal Employment Opportunity Commission (EEOC), the U.S. Census Bureau, or the Office of Personnel Management (OPM).

Workforce Analyses:

As of end of FY22, NSWCPD's total workforce of 2812 civilian employees represents a 0.74% decrease as compared to 2833 civilians in FY 21. The NSWCPD's workforce is (2165) 76.99% male and (647) 23.01% female. NSWCPD's representation of Women (0801) General engineers is 19.53% (25) which is above the national average of 12.93%, (0830) mechanical engineer 12.1% (95) is above the national average for female engineers (8.37%).

As of the end of FY22, the number of Individuals with Disabilities (IWD) in the total workforce was 206, which represents 7.3% of the total civilian workforce and resulted in no significant change as compared to FY21. Of the IWD, 40 (1.41%) are Individuals with Targeted Disabilities (IWTD) which are a subset of those who have a reportable disability. The criteria EEOC used to select 12 disabilities categorized as "targeted disabilities" include the severity of the disability, the feasibility of recruitment, and the availability of workforce data for this group. EEOC is currently using the Federal Goal of 2% as a benchmark as there is not NCLF for IWTD. As compared to FY21, the number of disabled employees increased by two (2) for NSWCPD. The 1.41% participation rate of IWTD is below the DOD and Federal goal of 2% and therefore is an area of under representation. For this reporting period; however, 179 (6.31%) of NSWCPD employees have not identified their disability status. EEO Plan to Eliminate Identified Barrier is reported in Part I. With the NSWCPD plan of action to recruit, hire and advance IWTD is outlined in Parts I and J.

As of end of FY22, veterans' represented 16.71% (470) of the NSWCPD's permanent civilian workforce and disabled veterans represented 37.23% (175). There are three categories of disabled veterans, namely 10- Point/Compensable preference with less than 30% disability; 10-Point Compensable preference with 30 percent or more disability; and 10 percent disability. However, of those disabled veterans, only 16.17% (76) have self-identified a disability. There were 2.9% (14) veterans that disability is not referenced on the SF 186 and 15.95% (75) veterans did not wish to identify their disability. NSWCPD recognizes the need to ensure that disabled veterans are accurately identified to meet the Federal Goal of 2% for IWTD. Specific actions related to the NSWCPD's efforts are captured in Parts I and J.

The NSWCPD's workforce spans many occupational series. The top five major occupations by most populous series areas are as follows: Mechanical Engineering (0830), Electrical Engineering (0850), Engineering Technician (0802), Information Technician Management (2210) and General Engineering (0801). The number of civilian employees in the top five major occupations total 1653 which is 58.78% of the total workforce with additional critical engineering, scientist and business occupations comprising the remaining to execute the command's mission. An alignment of NSWCPD civilian employees to the required EEOC FED9 occupational groups show that 13.44% (378) are classified by the US Census Bureau as "Officials and Managers" and "Professionals" (2058) 73.18%. As defined by the EEOC, these occupations requiring administrative and managerial personnel who develop and execute broad policies or, in the case of "Professionals," requires a college degree.

A breakdown of NSWCPD Civilian workforce in the 9 categories is as follows:

Figure 1 - Workforce FED 9 Categories

FED9 Description	Number of Employees	Percentage
Officials and Managers	378	13.44
Professionals	2058	73.18
Technicians	207	7.36
Office \ Clerical	70	2.48
Craft Workers	97	3.02
Operatives	2	.07
Laborers & Helpers	0	0
Service Workers	0	0
Sales Workers	0	0
Total	2812	100

The most populous pay plan for NSWCPD's employees is the General Schedule (GS). General Schedule employees comprise 85.6% (2409) of the total civilian workforce (2812). Figures 2 and 3 below provide a snapshot of GS employees by grade grouping, ethnicity, race and gender. With the exception of Whites and Males, there is a consistent decline in the participation rates for all other ethnic, racial, and gender groups beginning at senior grades and leader positions. While the less than expected participation rates of Hispanic and women exists throughout the federal sector as compared to the NCLF, NSWCPD's challenge is to eliminate any barriers to their participation in the higher grades and continues to take steps to resolve this gap through use of rotational opportunities, speed mentoring sessions, and brown bags on resume writing and preparation for interviews.

Total Workforce Awards by Ethnicity and Race Identification (ERI)

During FY22 there were 4,756 awards (an increase of 652 from FY21) distributed throughout the workforce. The awards were broken into six categories, Quality Step Increases (QSI), Time Off 1-9 hours, Time Off 10+ hours, Cash Awards between \$100 - \$500, Cash Awards between \$501 - \$5,000, and Cash Awards Over \$5,001. In FY22 the total amount of cash awards distributed to the male workforce was \$5,099,265 and \$1,462,606 for the female workforce. The ratio of male to females in the workforce is 3.3:1, or approximately 30 percent female; which has not varied by more than .01 percent from last fiscal year. The sum of total cash awards distributed to the workforce population for FY22 is \$6,561,871. The largest number of cash awards were distributed to persons who have identified as White Males (2,165) and White Females (647). This allocation of awards closely matches the ratio of males to females in the NSWCPD workforce.

FEDERAL AGENCY ANNUAL EEO PROGRAM STATUS REPORT

Essential Element A - F:

Element A. Demonstrated Commitment from Agency Leadership

The NSWCPD leadership is committed to incorporating and integrating the principles of equal employment opportunity (EEO). The Commanding Officer reaffirms EEO for all employees and applicants for employment regardless of race, religion, color, sex, national origin, age, genetic information or disability and ensures all employees are able to compete on a fair and level playing field with equal opportunity for competition.

Policy development, training and strategic communication of the NSWCPD's Diversity Strategy and the execution of a plan linked with the model EEO Program's six essential elements for a broader application of diversity are recognized. Signed policy statements were issued to the workforce on 26 September 2022. Policy statements are embraced by the Commanding Officer and Technical Director communicated to the workforce.

Throughout the NSWCPD, EEO staff members have made EEO information readily available to all employees and applicants for employment. Flyers have been created informing employees of the availability, time frames for filing a discrimination complaint, and remedial procedures available in the EEO complaint process. Information is posted throughout all organization and information can be found on our local intranet.

Element B. Integration of EEO into the Agency's Strategic Mission

The NSWCPD Command EEO Program is aligned in accordance with 29 Code of Federal Regulations Part 1614. The Deputy EEO Director is rated by the Corporate Operations Department Head. The EEO program operates under corporate operations for administrative coverage but have direct access to the Commanding Officer for EEO program management.

The Navy's Career Program for EEO Professionals (0260 series) ensures that EEO Officials throughout the Division have the competencies needed to perform EEO program duties and responsibilities. The NSWCPD EEO Career Program is managed by the Command's Deputy EEO Director. The Deputy EEO Director ensures that sufficient staffing and classification of positions meet the standards to execute EEO programmatic requirements.

NSWCPD is committed to having a diverse workforce. NSWCPD implemented the second cohort of the "Many Voices" small group discussion to facilitate diversity and inclusion to enhance our work environment, while effectively recruiting new talent through our outreach and partnerships with local colleges and universities driven by the Division's weekly recruitment Drumbeat meetings comprised of the Commanding Officer/Technical Director and their staffs, Department Head and their administrative staff and the Human Resources Division.

Diversity outreach consists of speaking engagements at the schools, university career fairs and hosting university students. Additional outreach systems include the use of non- competitive Schedule A appointment authorities for people with disabilities and for disabled veterans.

Element C. Management and Program Accountability

NSWCPD EEO practitioners ensure compliance with settlement agreements and orders issued by the Navy and EEOC. NSWCPD supervisors and managers have a mandatory EEO element incorporated in their performance standards (i.e., Applies EEO principles to all aspects of personnel management (e.g., hiring, training, work assignments/schedules, discipline, and awards). As appropriate, takes immediate correction action if sexual harassment or other discriminatory/unfair treatment is observed, reported or suspected. Provides leadership and emphasis to the execution of the Affirmative Employment Plan (AEP). Participates in EEO/AA activities and encourages subordinates to do so. Supervisors and managers are evaluated on compliance with these standards.

Element D. Proactive Prevention

The Deputy Director of EEO communicates with senior leaders to ensure Diversity, EEO, Leadership, and Compliance is supported throughout NSWCPD.

Element E. Efficiency

The agency has an effective complaints tracking and monitoring system (iComplaints). The iComplaints system, in conjunction with the EDW, provides global oversight of program operations by integrating metrics, data, and information needed to assess performance at all levels.

Element F. Responsiveness and Legal Compliance

NSWCPD EEO remains in compliance with EEO laws and EEOC regulations, policy guidance, and other written instructions. The NSWCPD EEO Office ensures prompt processing of all forms of ordered relief. Acceptance and dismissal of complaints are coordinated with the Labor Counselors as prescribed by the MD 110.

All employees abide by the Navy's anti-harassment policy, create a work environment that is free from harassment and promptly report any incidents of harassment. All employees are expected to promptly report any suspected retaliation for making a complaint or helping another employee make a complaint, participating in an inquiry into potential violations of this anti-harassment policy, or opposing unlawful discrimination or harassment.

NSWC Philadelphia Division

FORMS OF REDRESS

Forms of redress are used to correct or amend a situation in which an employee strongly feels that he or she has been treated unjustly or to alert authorities to suspected illegal agency actions. Below are different forms of redress available to NSWCPD employees.

NSWCPD INTERNAL FORMS OF REDRESS

Equal Employment Opportunity

Employees or applicants who believe that they have been harassed or discriminated against on the bases of race, color, religion, gender, sexual orientation, national origin, disability, age, genetic information or reprisal have the right to file a complaint of discrimination within 45 calendar days of the adverse action or perceived discrimination with the Division EEO Counselor.

The Alternative Dispute Resolution (ADR) Program is an alternative to filing a complaint. ADR can be initiated to address workplace disputes. The ADR program offers employees and managers options for resolving a range of workplace issues such as work assignments, promotional opportunities, questions of discrimination, performance, grievances, and simply the need for better communication. Mediation is the most common form of ADR used in the Division.

Employees have rights under two separate and distinct processes when raising an allegation of sexual harassment. The first process is under the 10 U.S.C. Section 1561, Complaints of Sexual Harassment and the second process is under 29 CFR 1614. Note: Processes may be used simultaneously. Title 10 requires the Division Commander/ Commanding Officer to investigate the allegation upon employee notification. At the same time, the employee can file a discrimination complaint within 45 calendar days of when the allegation occurred.

OSC provides a secure channel through its Disclosure Unit for federal workers to disclose information about various workplace improprieties, including a violation of law, rule or regulation, gross mismanagement and waste of funds, abuse of authority, or a substantial danger to public health or safety.

OSC promotes compliance by government employees' with legal restrictions on political activity by providing advisory opinions on, and enforcing, the Hatch Ad. MEMORANDUM

From: Commanding Officer, Naval Surface Warfare Center, Philadelphia Division

To: All Hands

Subj: EQUAL EMPLOYMENT OPPORTUNITY AND ANTI-HARASSMENT
POLICY

1. As Equal Employment Opportunity (EEO) Officer of Naval Surface Warfare Center, Philadelphia Division (NSWCPD), I am committed to ensuring a workplace free from discrimination or harassment, for all employees and applicants for employment. This is essential to sustaining our mission. NSWCPD values the personal uniqueness of each employee, and the tremendous benefits which this diversity of experience brings to our workforce. Managers and supervisors shall ensure that all employees are respected, and that all employment decisions are based solely upon merit and ability. As such, it is vital to maintain an environment free from all harassment. Harassment, sexual harassment, and unlawful discrimination upon the basis of race; color; national origin; sex (including pregnancy, gender, gender identity, or sexual orientation); religion; age; genetic information; or mental or physical disability have no place in the workplace. Neither does reprisal, because one has engaged in protected activity (i.e. opposed discrimination, or participated in the EEO complaints process). All employees will strive to sustain a diverse, inclusive workforce, which is free from unlawful discrimination, harassment, or fear of reprisal, and in which every employee has the opportunity to reach their fullest potential in support of the mission.

2. Harassment is any severe or pervasive unwelcome verbal or physical conduct that is objectionably offensive, and has the purpose or effect of unreasonably interfering with a person's work performance, and/or creates an intimidating, hostile, or offensive work environment. Harassing behavior may include, but is not limited to, any of the following: epithets; slurs; jokes; name calling; obscene gestures or sounds; obscene language; vulgar or abusive language; negative stereotypes; threatening, intimidating, or hostile acts; stalking; physical assault; or written or graphic material that belittles or shows hostility or dislike toward an individual or group. Harassment is unacceptable conduct and will not be tolerated in any form.

3. Any employee who believes that they have been subjected to harassment or sexual harassment is encouraged, if the employee feels safe and confident to do so, to address

Subj: EQUAL EMPLOYMENT OPPORTUNITY AND ANTI-HARASSMENT
POLICY

their concerns directly with the person demonstrating the behavior. If this resolves the issue to the satisfaction of the employee, then no further reporting is required. If this does not resolve the issue, then the employee may exercise their right to report the unlawful harassment or sexual harassment; this is a legal and protected right. An employee may report harassment, sexual harassment, or any other form of unlawful discrimination via their chain of command; to any NSWCPD supervisor; via the EEO Office; via the Human Resources Division; via the Office of Counsel; or via the Inspector General's Office. All reports of harassment, sexual harassment, or discrimination reported to NSWCPD management **MUST** be reported to me within 24 hours of receipt of the allegation. I will then assign a neutral fact-finder to investigate promptly any such allegation. When an allegation is substantiated, I will ensure that appropriate corrective action is taken. Confidentiality will be maintained to the greatest extent possible. Retaliation against individuals for reporting or participating in inquiries into allegations of harassment, sexual harassment, or discrimination is prohibited. Supervisors will allow individuals to seek guidance from the EEO Office when requested by an employee. Disciplinary action will be taken against those found to have engaged in inappropriate behavior in the workplace, or those found to have engaged in an act of retaliation or reprisal against an employee for exercising their right to report such behaviors.

4. All employees of NSWCPD will, in the event that they observe or become aware of a potential instance of harassment, sexual harassment, or discrimination, offer support to the employee affected by the behavior, and ensure that they receive guidance on available options to resolve the situation. This may include, but is not required to include, supporting the employee affected by the behavior in addressing their concerns directly with the employee demonstrating the behavior. ***Supervisors at NSWCPD have an absolute duty to report any instance of suspected harassment, sexual harassment, or discrimination to me, via the chain of command.***

5. Using the EEO complaints process is every employee's right, and each employee will be free to use this process without fear of reprisal. If an employee believes that they have been subjected to unlawful discrimination, harassment, or sexual harassment, and decides to contact the EEO Office, the employee must make that contact within 45 calendar days of the alleged unlawful action. Contact with management about harassment, sexual harassment, or discrimination is not a substitute for initiating the EEO complaints process. Within the EEO complaints process, I also encourage the use of the available streamlined Alternative Dispute Resolution (ADR) process, as an alternative to the traditional method of EEO complaint resolution.

Subj: EQUAL EMPLOYMENT OPPORTUNITY AND ANTI-HARASSMENT
POLICY

6. I expect all hands to keep NSWCPD free of discrimination, harassment, and sexual harassment. The EEO Office is available for assistance on any matters related to the NSWCPD EEO program. Let's all pull together to provide a safe, inclusive, innovative, and diverse workplace, and to make NSWCPD the best possible place to work!

**FEDERAL AGENCY ANNUAL EEO PROGRAM STATUS REPORT
EEO Plan To Eliminate Identified Barrier**

FY 2022 - NSWC Philadelphia Division Status and Plan

**STATEMENT OF CONDITION THAT WAS A
TRIGGER FOR A POTENTIAL BARRIER:**

Provide a brief narrative describing the condition at issue.

How was the condition recognized as a potential barrier?

Low female participation in Engineering Technician occupations (0802) which is a trigger for a potential barrier. A review of Table A6 indicates the division (as of 9/30/22) has 177 employees in this occupation 7 of which are female— 170 males (96.05%) and 7 females (3.95%)

These conditions present as a trigger for a potential barrier as NSWCPD will benefit from an increase in diversity in the workforce at all levels. These conditions also present a trigger because FY 22 DEOCS comments have discussed the lack of diversity in NSWCPD.

Analysis shows that females and minorities have a low participation in the 0802 series and professional series as a whole. Also, an analysis of the DEOCS results and comments was conducted. The results show that the female and minority representation is low in NSWCPD.

BARRIER ANALYSIS:

Provide a description of the steps taken and data analyzed to determine cause of the condition.

Total representation in the 0802 positions account for a total of 170 males (96.05%), 10 Females (3.95%) compared to 133 White Males (75.14%) and 7 White Females (3.95%), 2 Black or African-American Females (1.13%)

The Division reviewed the hiring process and did not identify any barrier that was impeding the greater participation of females and minorities in the 0802 series. NSWCPD continues to monitor the selection and interview process to determine root cause (s) and implement mitigation(s).

STATEMENT OF IDENTIFIED BARRIER:

Provide a succinct statement of the agency policy, procedure or practice that has been determined to be the barrier of the undesired condition.

No Division policy or procedure has been determined to be a barrier for NSWCPD recruitment. We are working with the Recruitment Coordinator to address the underrepresentation for minorities and women at NSWCPD.

No Division policy, practice or procedure has been practice that has been determined to be the barrier of the undesired condition.

determined to be a barrier. NSWCPD continue to analyze policies, practices and procedures to determine if a barrier exists.

OBJECTIVE: State the alternative or revised agency policy, procedure or practice to be implemented to correct the undesired condition.

Conduct analysis to identify a policy, practice or procedure that may be impeding greater participation rate of minorities in supervisory positions and develop/ implement a barrier elimination plan.

RESPONSIBLE OFFICIAL:

EEO and Diversity Deputy Director, Human Resources Director, Recruitment Coordinator, Commanding Officer, Technical Director, Leadership and all supervisors involved in barrier analysis efforts.

10/21- 9/24

REPORT OF ACCOMPLISHMENTS and MODIFICATIONS TO OBJECTIVE

- In FY22, NSWCPD took an in-depth review at the hiring practices for supervisory positions. The weekly Recruitment Drumbeat meetings discussed further opportunities for improving minorities and women.
- In FY22, NSWCPD continues to monitor the Selection Panel criteria in an effort to maintain an impartial selection process for supervisory positions. The selection panel process includes an EEO panel member that is appointed solely by the EEO office and no longer being appointed by Selecting Official, as well as awareness/visibility to senior leadership as the Commanding Officer or Technical Director, based on department organizational alignment, also provides concurrence via signature. The intended purpose is to provide consistency in the selection panels and centralize the EEO rep assignment and ensure an impartial EEO rep is selected for all supervisory panels.
- In FY22, NSWCPD engage in a highly successful recruiting mission targeting the underrepresentation of the organization. Recruiting team sought to refine and standardize the supervisory application process by moving to an Executive Core Qualifications (ECQ) style resume format for applicants. In preparation of the process change, the Talent Management office held training on how to write ECQ's that was open to all employees and well attended. The materials from the training were also posted on NSWCPD's intranet site so that all employees would have access to the training for future use.
- Increased targeted focus on recruiting from universities with a highly diverse candidate pool (HBCUs/MSI); expanding FY22 recruitment efforts to further expand diversity; in FY 22 of all new hires are of diverse ethnicity; 34.2 and 21.3% were female new hires.

The EEOC MD-715 PART J: The Special program plan for the recruitment, hiring, advancement, and retention of Individuals with Disabilities:

To capture agencies affirmative action plan for Individuals With Disabilities (IWD) and Individuals with Targeted Disabilities (IWTd), EEOC Regulations (29 C.F.R. 1614.203(e)) and MD-715 require agencies to describe how their plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities. All NAVSEA WFCs, regardless of size, must complete this Part of the MD-715.

EEOC FORM 715-02 PART J

**The Special Program Plan for Recruitment, Hiring, Advancement, and Retention of Individual
(or Persons) with Disabilities**

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR 1614.203(d)(7)) require agencies to establish specific numerical goals for achieving participation goals for persons with reportable disabilities (12%) and targeted disabilities (2%) in the agency.

Describe how the command has communicated the numerical goals to the hiring managers and recruiters:

- Deputy EEO Director communicated 12% PWD and 2% PWTD goals during weekly Drumbeat recruitment/training meeting with the Command's leadership.
- Workforce demographics are provided weekly Drumbeat recruitment/training meeting to leadership.
- Disability Program Manager meets regularly with the Recruitment Coordinator to emphasize these numerical goals and collaborate on ways to improve recruitment of PWD and PWTD.
- Recruitment Coordinator communicates 2% PWTD goals when meeting with NSWCPD recruiters at the weekly Drumbeat recruitment/training meetings.

Section II: Model Disability Program
