► Registrations

Getting Registered to Sell

Register your business at www.sam.gov. FREE!

Contact a PTAC counselor for a guide to help you register.

The screenshot shows the SAM (System for Award Management) website. At the top left is the SAM logo with the text "SYSTEM FOR AWARD MANAGEMENT". To the right are input fields for "USER NAME" and "PASSWORD", a "LOG IN" button, and links for "Forgot Username?" and "Forgot Password?". Below these is a link to "Create an Account". A dark blue navigation bar contains links for "HOME", "SEARCH RECORDS", "DATA ACCESS", "GENERAL INFO", and "HELP". The main content area has three columns: "CREATE USER ACCOUNT" with instructions and a "Create User Account" button; "REGISTER/UPDATE ENTITY" with instructions and a "Register/Update Entity" button; and "SEARCH RECORDS" with a search bar and a magnifying glass icon.

SAM
SYSTEM FOR AWARD MANAGEMENT

USER NAME PASSWORD **LOG IN**

[Forgot Username?](#) [Forgot Password?](#) [Create an Account](#)

HOME **SEARCH RECORDS** **DATA ACCESS** **GENERAL INFO** **HELP**

CREATE USER ACCOUNT

Your CCR username will not work in SAM. You will need a new SAM User Account to register or update your entity records. You will also need to create a SAM User Account if you are a government official and need to create Exclusions or search for FOUO information.

[Create User Account](#)

REGISTER/UPDATE ENTITY

You can register your Entity (business, individual, or government agency) to do business with the Federal Government. If you are interested in registering or updating your Entity, you must first create a user account.

[Register/Update Entity](#)

SEARCH RECORDS

All records from CCR/FedReg, ORCA, and EPLS, active or expired, were moved to SAM. You can search these records and filter your results. If you are a government user logged in with your SAM user account, you will automatically have access to FOUO information.

SAM Top Tips

- ▶ Do not pay or outsource getting into SAM.
- ▶ Store your user name and password where you can find it
- ▶ Update when there are changes to average annual revenue, number of employees, NAICS, etc.
- ▶ Mandatory update: annually
- ▶ NEW: Notarized letter on company letterhead
- ▶ If small, complete your Dynamic Small Business Search / SBA Profile

Dynamic Small Business Search/SBA Profile

- ▶ Your business resume
- ▶ Update through SAM
- ▶ Capabilities, keywords, bonding, references

“When I’m looking for small businesses for an RFQ, I rarely call the ones that don’t take time to complete their SBA Profile.”

~ ACOE Small Business Deputy

FBO Top Tips

- ▶ Set up search agents
- ▶ Conduct archived searches
- ▶ Respond to Sources Sought Notices
- ▶ Pay attention to “interested vendors tab”

The screenshot displays the FBO website interface for a specific solicitation. At the top left is the United States Navy seal. The title 'TEST CABLES' is prominently displayed, followed by the Solicitation Number: N0025318Q0046, Agency: Department of the Navy, Office: Naval Sea Systems Command, and Location: NUWC Keyport Division. Below this, there are three tabs: 'Notice Details', 'Packages', and 'Interested Vendors List', with the latter being circled in blue. To the right of the tabs are 'Print' and 'Link' icons. Below the tabs, there are two buttons: 'Return To Opportunities List' and 'Watch This Opportunity'. Below these buttons is a button labeled 'Add Me To Interested Vendors'. To the left of these buttons, there is a section for 'Original Synopsis' dated May 09, 2018, 4:39 pm. Below this, the Solicitation Number and Notice Type (Combined Synopsis/Solicitation) are listed. The Synopsis section is partially visible. On the right side, there is a section titled 'ALL FILES' containing two entries: 'DRAWINGS' dated May 09, 2018, and 'SOLICITATION' dated May 09, 2018, with a link to 'N0025318Q0046 Test C...'. The 'DRAWINGS' entry is marked as 'Locked'.

- ☑ Electrical Substation (up to & including 345KV class)
 - ✓ Design
 - ✓ Modifications
 - ✓ Control & Control Houses
 - ✓ Equipment Packaging & Construction
- ☑ Overhead Power Installations
- ☑ Underground Power Installations
 - ✓ Trench Duct
 - ✓ Duct Banks
 - ✓ Manhole Systems to form a complete facility system
 - ✓ Up to & including 115 class
- ☑ Interior Building Power Distribution System Install.
 - ✓ Commercial, Industrial, & Institutional Facilities
- ☑ Interior & Exterior Major Lighting Systems
 - ✓ Commercial, Industrial, & Institutional Applications
- ☑ Power Generation Systems
 - ✓ Prime Backup Power
 - ✓ Emergency Backup Power
- ☑ Switchgear Installation
 - ✓ Complete New Systems
 - ✓ Modification of Existing Systems to include:
 - Low, Medium, & High Voltage Applications
- ☑ Transformer Installations & Retrofits of all Types
- ☑ Power System Studies
- ☑ Security and Facility Support Systems

High Voltage Testing & Cable Splicing

- ☑ Medium & High Voltage Testing
 - ✓ Fault Finding
 - ✓ High Potential Testing
 - ✓ Ground System Testing
 - ✓ Insulation Resistance Testing
 - ✓ Protective Calibration & Testing
- ☑ Medium & High Voltage Cable
 - ✓ Installation
 - ✓ Splicing
 - ✓ Terminating

Batir Architecture Ltd

Capabilities Statement

DUNS 179654376 Cage 62YLO

Data Center Design & Construction

Batir Architecture has found our niche creating the built infrastructure that supports mission critical environments such as data centers. When you need a firm that understands the intricacies of a high-tech environment that requires reliability we are your source! You should know:

- We have extensive experience as a data center design/build company
- We perform projects all across the US, Canada, and the United Kingdom
- Our sweet-spot project size is 10,000 s.f. to 100,000 s.f.
- The majority of our work is remodel/retrofit yet we have also performed green field projects

Telepresence Room Design and Construction

A telepresence room is a conferencing space dedicated to high-end videoconferencing. Batir Architecture has been an integral partner for our commercial clients to bring this technologically to reality nationally and internationally. Our knowledge inside the mission critical environment makes us the perfect source for high-tech conferencing solutions. Our services include:

Site selection and assessment	Project close-out
Design (architectural and engineering)	Construction Management
Permitting	Procurement
Budgeting	

Smart Buildings

As a specialist in high-performance spaces we are the perfect partner to take your building into "Smart". The architect as the main interface with the building owner can help develop the right "Smart" strategy knowing the owner's facility program, budget, time frames and goals. Batir Architecture with our deep experience in the technology rich built infrastructure is the perfect choice for helping you in developing this science as part of your building. Our services include:

- Site Assessment and documentation
- Programming
- Net Zero
- Procurement
- Commissioning
- Strategy for the control, monitoring and automation systems as well as for the "fixed" attributes of the building
- Support Federal Energy Management Programs (FEMP)
- Executive Order 13514 and Energy & Security Act (EISA)

Commercial and Industrial Design

We have decades of experience with these types of buildings and their requirements. Our repeat client base is a testament to the success of our projects. We care about the final look of your building but we also want to make sure it functions for the lifecycle of our client's intended use. When it comes tight budgets, LEED Compliance, ADA Compliance, Branding interiors and exteriors and all the many facets involved with delivering a successful project we are the choice for realizing success. Notable companies that have relied on our design and construction expertise include:

Northrup Grumman Corporation	Empire Carpets
Jones Lang LaSalle	Five 9's Digital
Centegra Health System	Texas A&M University
Centa Corporation	Microsoft
