1.) Regardless of your vaccination status, have you experienced any of the following symptoms in the past 48 hours? **YES** **NO**
- nausea or vomiting
- congestion or runny nose
- fever (>100 °F) or chills
- muscle or body aches
- sore throat
- fatigue
- diarrhea
- new loss of taste or smell
- shortness of breath or difficulty breathing
- cough
- sore throat
- headache
- fatigue
- muscle or body aches
- fever (>100 °F) or chills
- nausea or vomiting
- congestion or runny nose
- new loss of taste or smell
- shortness of breath or difficulty breathing
- cough
- sore throat
- headache

If “YES”, LEAVE/DO NOT ENTER the workplace. Military & Civilians immediately inform supervisor; CTR inform employer. Put a clean mask on when one is available and contact/report to your medical provider (call ahead to inform them of your pending arrival). Follow CDC Guidance.\(^1\) *Entry denied

2.) Are you a visitor to NUWC Newport? **YES** **NO**

**Fully Vaccinated Visitors:**
If you're fully vaccinated and visiting NUWC Division Newport, you do not need to quarantine upon your arrival as long as you remain symptom free. Visitors must complete the Certification of Vaccination form and keep it with them during their time at NUWCDIVNPT.
People are considered fully vaccinated two or more weeks after they have received the second dose of a two-dose series or two or more weeks after they have received the single dose of the Johnson & Johnson (Janssen) vaccine.

**Unvaccinated Visitors:**
If you’re visiting NUWC Division Newport and are not fully vaccinated or decline to provide information about your vaccination status, you must provide proof of a negative COVID-19 test from no later than the previous 3 days prior to entry to NUWCDIVNPT.

**NUWCDIVNPT PERSONNEL RETURNING FROM TRAVEL MUST CONSULT THE COMMAND’S TRAVEL GUIDANCE\(^3\) PRIOR TO ACCESSING THE BASE.**

3.) Within the past 14 days, have you been in close physical contact (6 feet or closer for at least 15 minutes) with a person who is known to have laboratory-confirmed COVID-19 or with anyone who has any symptoms consistent with COVID-19? **YES** **NO**

**Fully Vaccinated Personnel/Recovered from COVID-19 In past 90 Days:** Close contacts who have been fully vaccinated and individuals who have recovered from COVID-19 in the past three months do not need to quarantine as long as they remain symptom free.

Per the CDC, fully vaccinated people should be tested with a viral test 3-5 days following a known exposure to someone with suspected or confirmed COVID-19 and wear a mask in public indoor settings for 14 days or until they receive a negative test result.

Unvaccinated Personnel: Complete a 10-day quarantine from date of last close contact. Follow CDC Guidance\(^3\) and NUWCDIVNPT Return to Work Guidance\(^2\) prior to entering any NUWCDIVNPT facilities.

4.) Are you isolating or quarantining because you may have been exposed to a person with COVID-19 or are worried that you may be sick with COVID-19? **YES** **NO**

If “YES”, LEAVE/DO NOT ENTER the workplace. Military & Civilians immediately inform supervisor; CTR inform employer. Put a clean mask on when one is available and contact/report to your medical provider (call ahead to inform them of your pending arrival). Follow CDC Guidance.\(^1\) *Entry denied

**ROM:** Restriction of Movement
