LEGEND

NAVAL UNDERSEA WARFARE CENTER DIVISION NEWPORT

Naval Undersea Warfare Center - Newport Division

Overview

One of two divisions of the Naval Undersea Warfare Center, Division Newport is the Navy's full-spectrum research, development, test and evaluation, engineering, and fleet support center for submarine warfare systems and many other systems associated with the undersea battlespace.

NUWC Division Newport provides the technical foundation that enables the conceptualization, research, development, fielding, modernization, and maintenance of systems that ensure our Navy's undersea superiority.

NUWC Division Newport is responsible, cradle to grave, for all aspects of systems under its charter, and is engaged in efforts ranging from participation in fundamental research to the support of evolving operational capabilities in the U.S. Navy fleet. The major thrust of NUWC Division Newport's activities is in applied research and system development.

With headquarters in Rhode Island, NUWC Division Newport operates detachments at Andros Island, Bahamas; Niantic, CT; Mayport, FL; Okahumpka, FL; West Palm Beach, FL; Kings Bay, GA; Dresden, NY; Fishers Island, NY; Norfolk, VA; Virginia Beach, VA; Williamsburg, VA; Bangor, WA; and Rota, Spain.
