

Disclaimer: All procurement information contained within this Long-Range Acquisition Forecast (LRAF) is subject to modification and is in no way binding on the Government. The LRAF, and any data contained herein, is based on the best information available and is being shared for information only. Small business set-asides may be projected herein, but the actual set-aside determinations will be made by the Contracting Officer at the time the procurement action is initiated. More specific information relating to any individual item or class of items may not be furnished until the proposed action is synopsisized through the Government Point of Entry (GPE) or the solicitation is issued. The GPE is located at <https://sam.gov>, as prescribed by the FAR. Acquisitions other than those provided in this LRAF will be published in accordance with FAR 5.101.
