

ENVIRONMENTAL MANAGEMENT SYSTEM COMMITMENT

We are committed to the protection of human health and the environment.

We will operate our activities to meet this commitment through continual improvement, education, pollution prevention, and the investment of resources necessary for conformance with the Environmental Management System.

FY23 TARGETS

- Conduct four process reviews to identify ways to reduce environmental impacts.
- Implement three improvements in each of the following areas:
 - Clean Water Program
 - Hazardous Waste Program
 - Air Program
 - Environmental Planning
 - Spill Prevention
